

**Invitation to Register
Fall General Meeting
Thursday, December 16, 10:00 a.m. – noon**

Dear members,

Please find below the invitation to register for the virtual Fall General Meeting to be held on Thursday, December 16 at 10:00 a.m. The meeting will be a Zoom Webinar.

As the meeting is being held by videoconference, registration is required in order that you can receive the link to the meeting. In addition to this email, the registration link as well as information about the meeting will be posted on our Facebook page <https://www.facebook.com/groups/646479872619655> and website <https://cuparucconcordia.ca/>.

Due to the pandemic, this is the first general meeting being held since the Fall General Meeting in 2019. You may recall that the May 2020 Annual General Meeting was cancelled. With Covid still quite present in our community, we have opted for a virtual event.

Due to the nature of the webinar format, the meeting is informational in nature. There will be presentations from each of the Committee Chairs (Pension, Benefits, Scholarships and Awards, etc....) as well as general remarks and information about future activities and directions for the Association. You will be able to ask questions through the webinar chat functions about each of the portfolio areas. A Q&A period will be provided after each portfolio presentation and at the end of the meeting.

The webinar format only allows for the “panelists” to be seen on screen. We will do our best to respond to all questions and comments made during the meeting. If this is not possible due to the number of questions/comments, we will respond to them following the meeting.

While we had hoped to meet in-person and revive the ambience and discussion that can only come from being together, the meeting is a first step towards moving things forward. We hope to begin holding smaller informal get-togethers

on a regular basis in the New Year. We are also exploring the idea of a hybrid AGM in the Spring, which would allow both in-person and virtual attendance.

I hope you will be able to attend the webinar on December 16 and that we can meet in-person in the not-too-distant future.

Best Wishes,

Garry Milton
