*What is CUPARUC?*

**CUPARUC** is the Concordia University Pensioners Association / l'associations des retraité(e)s de l'université Concordia. The Association has existed since 1987. Anyone retiring from Concordia can become a member of CUPARUC, and there are more reasons than ever for you to join. You can enjoy the social activities, participate in the CUPARUC Committees, and most importantly, join together as a group to influence the long and short-term decisions the University makes regarding your pension and benefits. There is strength in numbers, and we need your membership and support to continue the work done to date, ensuring the best possible pension and benefits for all Concordia retirees.

*The Objectives of CUPARUC*

- In general, to promote the welfare of all persons drawing a pension from Concordia University.
- Within this broad context, to ensure that the needs and concerns of members of the Association are appropriately formulated and brought to the attention of the University through formal representation on such University bodies as the Benefits Committee and Pension Committee of the board of Governors.
- To ensure that members are kept regularly informed about University decisions that affect them, as well as the general evolution of the University.
- To provide a channel whereby the expertise of members may be made available to the University for consulting or volunteer work.
- To provide a milieu for the maintenance and enhancement of social contact between members.

*The Benefits of CUPARUC Membership*

- Keep up to date with any changes the University proposes to the Pension or Benefits plan, and have a voice in the outcome.
- Participate in social events – stay in touch with former colleagues and friends.
- Become actively involved in a CUPARUC committee.
- Enjoy interesting guest speakers at the bi-annual meetings. Attend the annual Christmas lunch.
